Paducah, McCracken County, Kentucky
KY8-890-008-982

Ms. Woodard:

The Kentucky Division of Waste Management (Division) has prepared the following list of target dates by which the Division intends to submit a draft Permit Reissuance, give Public Notice, complete the comment period, including a public hearing and issue a final Permit.

- A mass mailing containing the Public Notice and a Fact Sheet will be authorized on Friday, February 27, 2015, which should reach the majority of recipients by Monday, March 2, 2015. The Public Notice will be printed in the Paducah Sun on Sunday, March 1, 2015. On the same date, a public radio announcement will begin on WKMS, Murray State's NPR station, which will be read four times daily through Friday, March 6, 2015.
- Copies of the draft Permit Reissuance, the Permit Application and an associated Fact Sheet will be delivered to the Paducah CAB office and the McCracken Public Library on Monday, March 2, 2015 for public review.
- A Public Hearing will be held at the Paducah CAB office on Tuesday, March 31, 2015 at 7:00 P.M. This is thirty days after issuance of the Public Notice.
- The forty-five day Public Notice comment period will end on April 15, 2015.

- If comments are received, the Division has 45 days to respond to them and amend the draft Permit Reissuance as necessary.
- The Division will issue a final Permit Reissuance within 30 days of the decision to approve the Permit Reissuance.

Please note that these dates may be extended due to unforeseen delays or complications.
